7th ANNUAL India Roads CONFERENCE 2015

Annual India Roads Conference offers a platform for the industry players to present and learn about the cutting edge equipments, services and projects shaping the road sector in India. Aptly themed as “Paving a way for a Sustainable Road Development”, the 7th edition of the India Roads Conference will foster a high profile gathering of the key industry leaders to discuss, network and evaluate the massive Indian industry and development options in the Roads and Infrastructure sector.

The 7th Annual India Roads Conference will once again prove to be a stimulating and provoking platform for both domestic and international players to share and better understand the emerging challenges and opportunities in the sector.

Sponsorship Opportunities

Why Sponsor?

- Industry experts/ Policy makers / who's who in both public and private sector under one roof
- Multiple panel sessions with the experts / presentations and technical sessions
- Extra visibility, client interaction and VIP treatment for sponsors and exhibitors
- Plant yourself firmly into the minds of key decision makers
- See your branding at the venue on communication collaterals and be a part of our extensive media plan.
- Cross many markets; broaden your international appeal
- Enjoy well-targeted networking opportunities

Media Planning

With years of experience in the India Construction and Infrastructure sector and nine industry leading magazines, we know what it takes to attract the kind of dedicated audience you would like to meet. We have planned an elaborate media presence of the event –

- Pre & Post event PR campaign in the Indian and international platforms
- International association and media support
- To ensure extensive reach, we send promotion collaterals like flyers / brochures to the target audience
- VIP invites to the policy makers and legislators, related ministries, trade bodies, industry associations etc.
- Email campaigns

About ASAPP Media

ASAPP Media Information Group is a 18-year-old, multinational B2B media group with diverse media properties in print, web and events space.
